

THE SCHOOL MANAGEMENT COMMITTEE (SMC)

The School Management Committee plays a pivotal role in the effective functioning of educational institutions. Comprising representatives from various stakeholders including parents, teachers and community members, its responsibilities range from formulating school policies to overseeing budget allocations. This committee serves as a liaison between the school administration and the community, ensuring transparency, accountability and adherence to educational standards. It facilitates collaborative decision-making processes, promotes the welfare of students, and fosters a conducive learning environment. Ultimately, the School Management Committee serves as a driving force in enhancing the quality of education and nurturing holistic development within the school community.

GRIEVANCE COMMITTEE:

The Grievance Committee within a school plays a crucial role in addressing concerns and conflicts among staff and students. Comprised of faculty members, administrators, and student representatives, its primary function is to provide a fair and confidential platform for resolving disputes and grievances. The committee ensures that all voices are heard, grievances are thoroughly investigated, and appropriate actions are taken to address issues effectively. By fostering open communication channels and promoting a culture of respect and understanding, the Grievance Committee contributes to a harmonious and supportive school environment conducive to the well-being and success of both staff and students.
